running time 50 min.~	

---

(ita)

Un violoncello, un corpo. Due strumenti, due artisti che si confrontano con un grande autore: Bach.

Ma non solo. A partire da alcune delle più celebri suite del padre della musica romantica, la Costenaro conduce il pubblico in un viaggio musicale tra lo spazio e il tempo.

Un concerto per violoncello e pelle.

(en)

One cello, one body. Two instruments, two artists approaching a great author: Bach. Starting from some of the most celebrated suites composed by the father of romantic music, Costenaro conducts the audience through a musical journey that travels in space and time.

A concert for cello and skin.
